A photograph of an outdoor furniture set in a garden. A long, low, light-colored sofa with a white cushion and a matching pillow sits on a green lawn. Above the sofa is a white fabric canopy supported by dark posts. A wire birdcage hangs from the canopy, containing a small green plant. The scene is set against a backdrop of lush green trees and foliage, with dappled sunlight filtering through the leaves.

A group of people, mostly women, are gathered around a long wooden table, working with large rolls of linen fabric. The fabric is light-colored and has a textured, woven appearance. Some people are unrolling the fabric, while others are handling it. The scene is brightly lit, suggesting an outdoor or well-lit indoor setting. The text "linen tableware" is overlaid on the image in a simple, sans-serif font.

A photograph of an outdoor dining table at night. The table is made of rustic wooden planks and is set with four place settings, each including a white plate, a glass, and a napkin. A small potted plant sits in the center of the table. The table is illuminated by a string of warm white LED lights strung between two vertical wooden posts. The background shows a stone wall on the left and a dark, wooded area.
