A hanging glass terrarium, resembling a fishbowl, is suspended by a thin wire. It contains clear water, a single white flower with ruffled petals, and several green leaves. A branch of a green leafy plant, possibly mint, extends from the right side into the water. The background is a plain, light-colored wall.

fiorirà un giardino è un'azienda italiana che, da più di venti anni, crea e commercializza prodotti in tutto il mondo.

Alta qualità e rispetto per l'ambiente sono alla base di questo marchio che produce arredi, tessili, oggetti, profumi e cosmetica naturale made in italy.

Toni neutri e materiali come lino, cotone, vetro borosilicato, fibra di cellulosa, gres, legno e latta riciclata, sono il fil rouge dei prodotti di fiorirà un giardino, capaci di donare un tocco di poesia alla casa e una pausa alla mente.

Ogni singolo oggetto è stato disegnato con estrema attenzione, allo scopo di creare linee di prodotti armoniose e riconoscibili, fedeli alla semplicità e alla raffinatezza dei particolari.

fiorirà un giardino crea un magico incontro tra natura, arredo e benessere.

fiorirà un giardino is an Italian company that, from more than twenty years, creates and sells items all over the world.

High quality and respect for the environment are basis of this brand that produces furnishings, textiles, objects, and made in Italy perfumes and natural cosmetics.

Neutral shades and natural materials, such as linen, cotton, borosilicated glass, cellulose fiber, gres, wood and recycled tin, are the fil rouge of fiorir un giardino products, to give a touch of poetry to the home and a pause to the mind.

Every single object is crafted with extreme attention, due to create gentle and recognizable product lines, true to the simplicity and refinement of the details.

fiorirà un giardino creates a magical meeting between nature, decor and helthcare.

fiorirà un giardino est une maison italienne qui, depuis plus de 20 ans, crée et commercialise ses produits partout dans le monde. Haute qualité et respect pour l'environnement sont à la base de cette marque qui produit meubles, tissus, objets cadeaux, parfums et cosmétiques made in Italy.

Tons neutres et matériaux naturels comme lin, coton, verre borosilicate, fibre de cellulose, grès, bois et fer blanc recyclé sont le fil rouge des produits de fiorirà un giardino, capables de donner une touche de poésie à votre maison et une pause à votre esprit. Chaque objet est dessiné avec une extrême attention, afin de créer une collection harmonieuse et reconnaissable, fidèle à la simplicité et au raffinement des détails.

fiorirà un giardino crée une rencontre magique entre nature, ddécoration et bien-être.
